BAILIN' OUT WATER

Chorus:

Bailin' out water from a leaky canoe
Bailin' out water from a leaky canoe
Nothin' to get, just one thing to do
Bailin' out water from a leaky canoe

When we're sittin' on the cushion
We don't wonder when the bell will chime
When we're sittin' on the cushion
We abandon every notion of time, reason or rhyme
If the thoughts and the feelings start a-leakin' on in,
We jump right back to bailin' water again, and we're (CHORUS)

Now now matter what we do,
We keep the faith that our canoe can't sink
And every drop of water that comes by
We don't have to drink, don't you think
If the thoughts... (etc.)

When we're cruisin' down the river,
We don't worry 'bout how dry we can get
'Cause as long as we keep bailin',
Seems the water never gets us wet, wanna bet
If the thoguhts... (etc.)
