### MAHAYANA MIND

Mahayana mind  
Like waves upon the ocean blue  
Mem'ries and emotions too,  
just float on through, just float on through  
Mahayana mind  
Waiting patiently  
Let your cares unwind, suddenly you'll find  
Mahayana mind

Mahayana mind  
Like raindrops from a summer sky  
Fantasies and lullabies  
Dry up and die, dry up and die  
Mahayana mind  
Staying constantly  
Leave yourself behind, suddenly you'll find  
Mahayana mind

Deep in each and every breath  
Beyond the reach of birth and death  
An eye so clear, a heart sincere  
No notion of Nirvana  
Just  
Mahayana mind  
Dancing all the mountains down  
Chanting in a countless round  
Of soundless sound, of soundless sound  
Mahayana mind  
May the world be free  
Love all humankind, suddenly you'll find  
Mahayana mind
